

Trusted Advisor

Because Your Leadership Matters!

Steve Gutzler, President of Leadership Quest, is now offering a dynamic new service to a select few of his longstanding corporate clients, on a retainer basis.

Tailored to the demands and goals of Senior Level Leaders—Management and Teams

Steve's Trusted Advisor Service is tailored to the fast-paced demands and goals of senior-level leaders, management teams, and their teams.

Take advantage of private access to an unbiased, objective Trusted Advisor as your success partner and confidant for candid advise, coaching, counsel, and measurably-enhanced results.

Because Your Leadership Matters

What you can achieve with the partnership of a Trusted Advisor:

- Customized “in the moment” coaching, taking on your demands
- Growing your leadership capacity by identifying current limits that can be exposed and reversed
- Create engaged and highly motivated, cohesive teams ready to “blow the lid off” past results.
- Redefine strategic leadership with effective and adaptable internal/external communication skills and more influential, persuasive presentations.
- Replace debilitating communicative skills with your teams, revitalize with clear, collaborative, and inclusive “solution fingers” that make things better each and every day.
- Cast a clear vision and align a cohesive team around a “code of honor” that drives excellence, innovation, and breaks barriers.
- Create a culture of leaders that embrace change and adapt quickly to new opportunities—leaders who possess energy, intelligence, and creativity.

The Trusted Advisor is Customized and Targeted for You and Your Team:

Which of the following do you prefer?

- Individual meetings
- Group meetings
- Individual or group assessments
- Remote access

Which high level executives or select team members will have direct access to Steve?

What is the duration of the retainer?

- 12 months
- 18 months
- 24 months

Meet your Trusted Advisor, Steve Gutzler

Steve works with:

Trusted Advisor Service Advantages:

Having coached and trained CEOs, Presidents, professional athletes, and world-class organizations, Steve's insights have gained a reputation around the world as an authority on high performance leadership, emotional intelligence for exceptional leadership, growing leaders at every level, and accelerated sales success.

Steve is a dynamic, highly sought after speaker, executive leadership coach, and trusted advisor to a who's who list of clients including, Microsoft, LinkedIn, Pandora Radio, Seattle Seahawks, Starbucks, and the Ritz Carlton, to name a few.

Steve has an exceptional ability to communicate clear leadership and business/sales solutions with humor, clarity and insight. Steve's experience in strategic leadership coaching and consultations is why he is highly sought after from CEOs, Senior Executives, and leading Entrepreneurs.

Various customized options may be provided to the Trusted Advisor proposal to best accommodate individual leaders, teams, and organizational needs. Any expense for travel, lodging, parking, and meals are invoiced separately. A meeting with the decision maker funding the project will help establish the parameters of the Trusted Advisor Services, to ensure a successful partnership.
