Testimonials

*"Steve Gutzler has made the topic of Emotional Intelligence relevant and impactful to myself and my leadership team. Steve has introduced us to a progressive series of topics and exercises aimed at improving our collective leadership skills, and "unlocking" our greatness potential. These highly – interactive sessions have received consistent praise from my organization, and have had an impact on us both personally and professionally. **Steve is an energetic speaker whose passion for this topic is infectious. It has been a pleasure working directly with Steve, and to give him the highest of recommendations.**"*

–Mike Simms, Chief Procurement Officer, Microsoft

*"Steve Gutzler absolutely "Brings It" each and every time he has worked with our team! I've had the pleasure of working with Steve and in many respects consider him a part of our corporate team in that he was instrumental in the formation of our service vision seven years ago. **Steve has been an irrefutable "WOW" during our annual General Managers Conferences, as well as Leadership Team Advances.***

–Douglas N. Dreher, President & CEO, The Hotel Group

"Steve inspired our global team through an inspirational and thought-provoking session that left our team motivated to recognize the opportunities ahead, rather than the obstacles in our path, and take ownership of their vision and journey."

–Bridgette Beam, Director of Programs, Facebook

*"Steve's presentation and speaking skills are exactly what we were looking for and his approach matched our culture in a way that was refreshing. **If you are looking for a keynote speaker that keeps your audience's attention and delivers a profound message then Steve is your guy!**"*

–Andrew Caldwell, President,

Worldwide Insurance Network, Smart Choice Agents

"Steve was our closing keynote speaker to almost 1,000 attendees and was fantastic! His presentation was extremely informative, interactive and entertaining. He provides a wealth of valuable, and most importantly, usable information that benefited every single CEO and board of director in the room."

–Dan Berger, President & CEO,

EI Edge

The Science of Sustainable Leadership Excellence

5 Neuroscience-Backed Principles to Transform Daily Interactions into Lasting Impact

For over 20 years, Steve Gutzler has empowered leaders at Microsoft, LinkedIn, the Seattle Seahawks, and other elite organizations with a game-changing truth: sustainable success isn't about IQ or technical skills—it's about Emotional Intelligence (EI). The ability to harness self-awareness, purpose, and human connection isn't just "soft skills"—it's the proven competitive edge for leaders who want to inspire, retain top talent, and drive measurable results.

Research from Yale University reveals the undeniable competitive advantage of EI-driven organizations: They experience 34% higher profit growth, develop leadership pipelines 58% stronger than their peers, and retain top talent at remarkable rates with 72% lower turnover among high performers. These numbers prove what we've seen in practice - emotional intelligence isn't soft skills, it's the hard currency of exceptional leadership.

The EI Edge Difference: This goes beyond theoretical inspiration - it's a proven leadership operating system that blends cutting-edge neuroscience research with battle-tested frameworks refined through 25+ years of executive coaching. The result? Immediate, actionable strategies that deliver measurable ROI for leaders and organizations ready to transform their performance.

Key Takeaways:

- **The Emotional Contagion Effect** - How leaders set the emotional tone (for better or worse)
- **The 17% Stress Solution** - Managing critical moments that determine 83% of outcomes
- **The 3L Connection Framework** - Build loyalty, trust, and engagement through everyday empathy
- **Purpose Alignment** - Transform work from obligation to meaningful contribution

This session is designed to equip leaders with science-backed tools that transform emotional intelligence from a soft skill into measurable business results. We'll replace outdated command-and-control leadership with proven, human-centric strategies that drive actual organizational change. You'll gain solutions to today's #1 leadership challenge - inspiring peak performance while preventing team burnout - through immediately applicable frameworks for building trust, fostering loyalty, and creating engaged, high-performing teams.

Human-Centered Leadership

Forging Deeper Connections to Empower and Inspire Teams

In this age where AI and technology are reshaping the way we work and interact, the demand for human-centered skills, particularly Emotional Intelligence (EI), has never been more critical.

As machines take over more of the routine tasks, the truly distinguishing qualities of top leaders are those skills that machines can't replicate: empathy, awareness, and the nuanced understanding of human emotions.

The **Human-Centered Leadership** program is dedicated to deepening these essential skills. You will learn to harness the power of emotional intelligence to connect, inspire, and lead with authenticity. Our focus will go beyond traditional leadership training, emphasizing how to navigate and lead effectively in an increasingly automated world. We'll explore how to maintain and enhance human connections and emotional well-being in your teams, ensuring that you stand out as a leader in a technology-driven landscape.

Unlock the transformative power of human-centered leadership in this engaging and insightful keynote. Your audience will discover practical strategies to build meaningful connections, enhance their influence, and master the art of emotional intelligence.

Key Takeaways:

- **Building Influence Through Connections:** Learn how to forge meaningful relationships that boost your influence in every interaction.
- **Emotional Intelligence and Self-Awareness:** Gain insights into managing emotions effectively, both your own and those of others, especially under pressure.
- **The Science of Emotions:** Explore what happens in the brain during stressful situations and uncover strategies to navigate these challenges smoothly.
- **Empathy as a Leadership Tool:** Understand why empathy is crucial for fostering influence, connection, loyalty, collaboration, and effective persuasion.
- **Enhancing Job Satisfaction:** Discover methods to elevate levels of job satisfaction, engagement, and inspiration within your team.
- **Authentic Relationships:** Learn how to authentically capture interest and build genuine relationships that last.

This program is ideal for organizations aiming to:

- Build a more collaborative and communicative workplace.
- Equip your team with the tools to navigate change smoothly and effectively.
- Create strategies to eliminate workplace dissatisfaction and support emotional well-being.
- Develop a workplace environment that values contribution and mutual support.
- Enhance your team's ability to grow sales and strengthen client relations.
- Foster a setting where team members feel valued and motivated to excel.

Whether it's a keynote or a half-day workshop, the **Human-Centered Leadership** program can be customized to meet your specific goals, cultural context, and desired outcomes.

Empower your team with the skills they need to inspire, collaborate, and succeed in today's dynamic world.
